Subject: GRAMA Request, Crandall Canyon Mine, C/015/0032

Dear Mr. Carlisle:

This letter and the enclosed CD from the Division of Oil, Gas and Mining in the Department of Natural Resources is in response to your September 13, 2007 GRAMA request for "all correspondence ...from August 6 to August 31, 2007 concerning or referencing Murray Energy Corp....or the search for missing miners." This CD includes emails, the incoming and outgoing correspondence with the Genwal Crandall Canyon Mine, and anything that was written that the Division has in its possession.

Per your request, we are waiving your fees, as they would have exceeded the \$20 amount.

If you have questions, contact me at (801) 538-5306, or Randy Harden at (801) 538-5285.

Sincerely,

Mary Ann Wright  
Associate Director, Mining
